

Agua Amarga

Reserve & Trail |
29200 block Posey Way

Take a short nature walk through a canyon with abundant shrubs.
Suitable for beginners!

ENGAGE!

- 1) Sketch what you can see from the trailhead. Can you see Malibu?
- 2) Sit or stand in the shade of the tree next to the water tank. Close your eyes. What do you hear?
- 3) Can you find any berries on the shrubs next to the trail?
- 4) Look at the large yucca plant. Can you find any insects or evidence of insects?

Agua Amarga

Reserve & Trail |
29200 block Posey Way

Enjoy a good workout on this steep trail to view coastal sage habitat undergoing restoration.

ENGAGE!

- 1) Is there an onshore (breeze from the ocean) or offshore (breeze toward the ocean) flow?
- 2) Find a rock. What does it look like? Feel like?
- 3) Enjoy the shade of the large pine tree. Can you see how the pinecones attach to the branches?
- 4) Can you spot a baby plant in the coastal sage restoration area?
